EXTRA CURRICULAR CLUBS PROGRAM

Our Extra Curricular Clubs Program is full of fun and excitement for all age groups from Foundation - Year 6. Where children can learn new skills or refine skills they have already acquired in a safe, nurturing and inclusive environment. As part of our clubs the children will be able to win prizes and certificates of achievement. Club registration and payments are all managed through our online registration system where parents can book their desired clubs for their child or children with easy and security gaining loyalty points, discount codes and up to date information. Meaning stress and hassle free school clubs for your school and the office staff.

OUR VISION

Our vision is to enable each child we teach the opportunity to help build a positive relationships with physical activity. Learning life skills, building character, raising self esteem, inner confidence, belief and the importance of a healthy active lifestyle. Through PE we believe we can teach children the importance of communication, concentration, team work, overcoming obstacles, problem solving, planning and preparation amongst many other life skills that can then be applied into the classroom environment and into life as they become teenagers and adult.

WE HAVE DELIVERED OVER 5000 HOURS OF PHYSICAL ACTIVITY THIS TERM ENGAGING HUNDRED OF CHILDREN IN THE PROCESS FOR OUR SCHOOLS.

Activate & Elevate

Your School with our Wrap Around Care Program

We understand the importance of having childcare available at your school for working parents outside of traditional school hours. Offering our Activate & Elevate Wrap Around Care programs at your school is a great selling point for potential new parents increase numbers applying for your school, increase applications and interest, support current parents with the opportunity and peace of mind of knowing their children are safe in familiar surrounding with staff who know them.

We work together with schools to deliver high quality Wrap Around Care

We provide a wide range of fun and exciting activities on a hourly basis through our Activate (Breakfast Club) starting from 7.30am until the school day commences, we can ensure children start the day with a health nutritious breakfast and positive attitude. Our Elevate (After school club) start from the end of the school day and finishes at 6pm including a snack and dinner option for parents.

Activate & Elevate

Your School with our Wrap Around Care Program

Working together with you we create a wrap around care program you can be proud to have at your school and offer to your parents. By using our wrap around care program at your school, you will create stress and hassle free income that can be reinjected back into much needed area's of your school. Offer additional work opportunities for school staff, TA's, LSA, HLTA and any part time staff who may be in need of more work and in return keep them at your school.

We work together with schools to deliver high quality Wrap Around Care

We provide dedicated Activate & Elevate staff specific to your school who are highly trained, experience, qualified and understand the needs of children from EYFS, KS1 & KS2. We have created different packages to our wrap around care programs to create a truly bespoke service for each school we work with.

HOLIDAY CAMPS

SPORT AND ACTIVITY HOLIDAY CAMPS AT YOUR SCHOOL

Could your school be our next Holiday Camp Venue...? Giving parents and children the opportunities they need during school holidays. We create a fun, reliable, safe and high quality camp environment for all children to flourish and thrive in, where parents can have complete peace of mind knowing their children are having the best time possible!

Why are our holiday camps at your school a **FANTASTIC IDEA...**?

Our sport and holiday camps are a fantastic addition to any school community offering parents and children, that much needed break and escape during school holidays. Increasing the profile and popularity of your school to the surrounding area's whilst adding additional income and revenue into your school budget during a time your school would traditionally be empty!
