## **From Breakfast to Beyond:**

Navigating the World of Wraparound Childcare with CMXSC

In the ever-expanding universe of education, wraparound childcare has emerged as a rainbow for schools and parents, offering a seamless extension of the school day. At CMXSC, we take pride in guiding schools and families through this enriching journey, from the early hours of breakfast clubs to stimulating experiences beyond the traditional school bell.

## **The Morning Kickstart: Breakfast Clubs Reimagined**

Breakfast is more than just the first meal of the day—it's an opportunity to set the tone for a child's entire learning experience. CMXSC's breakfast clubs go beyond providing a nutritional start; they offer a vibrant and engaging environment, ensuring that children kickstart their day with not just energy but enthusiasm for what lies ahead.

## **After-School Adventures: The Heart of Wraparound Care**

As the school day concludes, the adventure continues with CMXSC's after-school programs. These sessions are more than just a bridge between school and home; they are an extension of the learning journey, filled with activities designed to stimulate young minds. From sports and physical activities to arts, crafts, and wellbeing sessions, our programs bring variety and excitement to every afternoon.

## **Stimulating the Mind, Body, and Soul**

The benefits of wraparound care extend far beyond convenience. Engaging in a social and stimulating activity before or after school positively impacts a child's cognitive function, engagement, and confidence. With themed sessions focused on specific sports or holistic wellbeing, CMXSC ensures that children not only learn but thrive in a supportive and encouraging environment.
